ROLL CALL

Senators Present: All Senators or their alternates were present except Colin Condit, Elwyn Odell and Donald Schliesman.

Others Present: Anthony Canedo, Robert Dean, Thomas Dalglish, H. S. Habib, and Bernard Martin.

AGENDA CHANGES AND APPROVAL

Under "V. REPORTS", the order of "A. Standing Committees" and "B. Report from the Chair" were reversed by the chair with consent of the body.

MINUTES

The Senate minutes of November 5, and November 12, 1969, were approved as printed and distributed.

COMMUNICATIONS

1. Mr. Nylander read a letter from Earl Glauert, dated October 31, 1969, bringing attention to the question of departmental voting rights with regard to dual appointments and split assignments. The letter was forwarded to the Personnel Committee.
2. Mr. Nylander also read a letter from Robert Mitchell regarding a request made by the Office of Institutional Research concerning faculty work load analysis. This letter was also passed on to the Personnel Committee.

REPORTS

B. Report from the Chair

1. Mr. Nylander read a statement from the Faculty Senate Executive Committee on Department Chairmanships and Sabbatical Leaves. The statement is as follows:

In the November 5th meeting of the Senate, it was stated in the Executive Committee Report that a statement concerning problems in the area of department chairmanships and sabbatical leaves would be forthcoming from the Executive Committee.

Since that time further problems of serious concern to the faculty have arisen and complicated the issue of department chairmanships and the manner in which some sections of the Faculty Handbook are implemented.

It is recognized by the Executive Committee that the Faculty Handbook is not the domain of the Senate in the same sense as the Code. However, inasmuch as the Senate is properly and by definition concerned with any matters affecting the College, we do believe it is incumbent on the Senate to become involved with the administration in settling some problems arising out of that section of the Faculty Handbook dealing with department chairmanships.

The Senate Executive Committee is appointing an Ad Hoc Committee on Chairmanships and Faculty Handbook which shall be charged to address itself to two issues. The first is that of becoming involved with the College administration in the consideration of that section of the Faculty Handbook which concerns departmental chairmanships. The second issue will be to study and make recommendations to the Senate relative to the relationship that should exist between the faculty and the Faculty Handbook. This committee will be made up of both senators and non-senators and shall represent teaching faculty, department chairmen and administration.

On the issue of sabbatical leaves the Executive Committee makes the following statement.

It is felt that the awarding of a recent sabbatical leave has caused a problem in faculty morale. Although it appears that technically no improper action was taken by the administration, it does seem that the spirit of the rules surrounding the application and awarding of a sabbatical leave was violated.

The Committee believes that a sabbatical leave was awarded in this case to ameliorate a situation that had become untenable. Further, the Committee believes that this state of untenability arose out of questionable implementation of the Faculty Handbook section covering department chairmanships.

The use of a sabbatical leave in situations such as this may, in some cases, be defensible but in this situation it appears that the sabbatical leave of another faculty member was improperly denied or by-passed.

The following sequence of events during the 1968-1969 academic year would seem to attest to that conclusion:

1. Seven applications for sabbatical leave were submitted to the Sabbatical Leave Committee at the announced time.
2. All seven were judged acceptable by the Sabbatical Leave Committee.
3. The Sabbatical Leave Committee placed the applications in an order of preference as budget allocations would be a determinant in the number of leaves to be awarded.
4. Because of budgetary limitations, five of the seven were awarded leaves.
5. The sabbatical leave in question was applied for by a letter several months later and awarded officially by the Board of Trustees at a summer meeting.
6. The two faculty members whose leaves had been by-passed were never formally notified that an additional amount of sabbatical leave money had become available. One faculty member would no longer have been interested in a leave at that time, the other would still have been interested.

The Executive Committee does not believe that the administration's hands should be tied by rigid sets of rules in cases such as this. Looking at a situation from afar is not always a good perspective from which to make a correct decision. However, it does appear, in this case, that at least one faculty member should have been given the opportunity to accept a sabbatical leave when money apparently became available.

A. Standing Committees

1. Executive Committee

Mr. Harsha read a report from the Executive Committee stating that:

- a. The Executive Committee received a communication from Mr. Glauert regarding voting rights (departmental voting rights) of faculty members with split assignments and dual appointments. This matter was referred to the Personnel Committee for further deliberation.
- b. A letter that was received concerning books for Asian Students was referred to the Student Affairs Committee for consideration.

- c. The Executive Committee continues to feel a strong concern over the manner in which new programs are established at Central. A memorandum to this affect, and regarding long-range implications, has been forwarded to the Senate Curriculum Committee and the Senate Budget Committee. The Executive Committee has also requested, through the same memo, a reaction from the two committees (Curriculum and Budget) concerning the Mexico City Program and the Institute of Latin American Affairs to determine the Senate's position of these two specific programs.
- d. President Brooks met with the Committee November 18 for a discussion of the possible forming of committees or task forces to deal with specific campus problems.
- e. The Committee has submitted a list of names from the teaching faculty as possible members of the Screening Committee for selecting a permanent vice-president. The acting vice-president and the Deans' Council will submit a list of department chairmen. From these two lists, the committee will be formed.
- f. The Board of Trustees has approved the three Code amendments passed recently by the faculty.
- g. The Joint Senate-Board of Trustees meeting will probably be held in conjunction with the January Board meeting. Any suggestions for agenda items should be communicated to the Executive Committee.
- h. In reference to Mr. Nylander's statement regarding departmental chairmanships and the Faculty Handbook, the Executive Committee appoints the following individuals to membership on the Ad Hoc Committee on Department Chairmanships and Faculty Handbook:

Don Ringe, Geology
Ron Frye, Technology and Industrial Education
Tony Canedo, Associate Dean, Arts & Sciences
Ken Harsha, Business Education and Administrative Mgt.
Otto Jakubek, Geography

MOTION NO. 617: Mr. Harsha moved, seconded by Mr. Comstock, to adopt the Ad Hoc Committee on Department Chairmanships and Faculty Handbook as stated in the Executive Committee report.

Mr. Nylander stated that a precise charge to this committee would be worked out by the Executive Committee at a later date.

Also Mr. Jacobsen stressed the necessity of getting the revisions on the Faculty Handbook out as soon as possible, perhaps even by the end of next quarter. He also suggested that the Ad Hoc Committee look at the Northwest Accreditation report because they have some of the same questions on department chairmanships.

The motion carried by a voice vote.

2. Budget Committee -- no report.
3. Code Committee

Mr. Ringe said the committee will set up hearings the first of January to vote on Code amendments. The exact date will be announced later.

4. Curriculum Committee -- no report.
5. Personnel Committee -- no report.
6. Student Affairs -- no report.

OLD BUSINESS

Mr. Nylander recognized the name change, which is now effective, created by Motion No. 583 in the May 21, 1969, meeting of the Senate. Motion No. 583 reads, "Mr. Dillard moved, seconded by Mr. Harsha, that the name 'Faculty Senate' be changed to 'College Senate', and if the above amendment is approved by the faculty that the 1969-70 Code Committee make the necessary revisions in the Faculty Code. The motion carried by a voice vote."

The Chairman stated several measures the Senate could take to rescind the motion if the Senate felt this was necessary.

A lengthy discussion followed. Several senators felt the name change would involve a great deal more than simply revising that section of the Code dealing with the Faculty Senate.

Mr. Lewis said that he would like to give notice that he will move at the next meeting to rescind this motion. This would allow time to think about the motion until the next meeting.

Several senators felt that eventually the faculty would form another group consisting of only faculty members.

Mr. Dillard said the intent of the motion was to correct the Senate's name because of the addition of three students.

Mr. Hawkins felt that changing the name would not entail a change in structure. He also felt the spirit of the motion was only to change the name.

MOTION NO. 618: Mr. Comstock moved, seconded by Mr. Leavitt, to rescind Motion No. 583 of last year. The motion passed by a roll call vote of 27 Ayes and 3 Nays.

Ayes: H. Williams, D. Jakubek, F. Carlson, E. Jacobsen, D. Burt, F. Collins, L. C. Duncan, I. Easterling, K. Hammond, D. Ringe, R. Davidson, E. Glauert, R. Harris, H. Michaelson, S. Waugh, D. Comstock, G. Leavitt, C. Keller, J. Nylander, J. Putnam, R. Mitchell, L. Sparks, A. Lewis, S. Dudley, J. Alexander, S. Bayless, G. Clark.

Nays: D. Dillard, C. Hawkins, K. Harsha.

(Note: Mr. Berry arrived after Motion No. 618 was considered.)

MOTION NO. 619: Mr. Comstock moved, seconded by Mr. Hawkins, to refer the problem of a possible name change of the Faculty Senate to the Code Committee for their recommendations. The motion passed by a voice vote.

NEW BUSINESS

David Burt presented a resolution, which had been distributed to the Senators several days earlier. The resolution follows:

Resolved:

The Faculty Senate is confident that, in his discussion last spring with the Black Students' Union and the Students for Change, as summarized in his report to the college community on May 6th and at the Faculty Forum on May 14th, President Brooks acted effectively and in the best interests of the college community by demonstrating clearly his willingness to listen and to respond to student concerns. The Senate believes this flexibility and alertness are reasonable and necessary preliminaries to needed reform of campus policies, curriculum, and practices. The Senate commends the President, the Black Students' Union, the Students for Change, and other members of the college who have shown their willingness to meet together to work out mutual problems.

The Senate also affirms that the trust and respect shown by all parties to those meetings continue to be essential to college government, for if fear and unreasonable and parochial pressures from inside or from outside the college are allowed to truncate the normal and desirable cycle of conflict-reconciliation-renewal, we will be left with nothing but power struggles.

The Senate however, regards these moves as but initial efforts in a more thorough reform and redirection of curriculum, administrative practices, college policies, and student responsibilities, that are essential and that must be initiated from within if the college is to continue its dual functions of scrutinizing tradition and leading change. At this time, then, the Senate instructs its Executive Committee to take these additional steps immediately:

1. request the Board of Trustees to endorse the "Statement on Government of Colleges and Universities" which received the endorsement on this Faculty Senate and of the President and was forwarded to the Board in 1967;

2. request the Board of Trustees and the Governor of the State to provide for one faculty and one student voting member of the Board of Trustees;

3. request the President to make arrangements for the college to begin now to collect one penny per dollar on all counter sales at the student union and the bookstore, to be earmarked for the EOP program;

4. publish this resolution to all faculty, staff, administration, and the ASC.

After a lengthy discussion, Mr. Burt stated his motion as follows:

MOTION NO. 620: Mr. Burt moved, seconded by Mr. Hawkins, that the resolution be passed omitting item 3.

MOTION NO. 621: Mr. Mitchell moved, seconded by Mr. Duncan, to amend Motion No. 620 to divide the motion into four parts; part one would include paragraph one, two and three excluding the last sentence in paragraph three; part two would include the last sentence in paragraph three and item 1; part three would include item 2; and part four would include item 4.

Mr. Duncan asked that the word 'rational' be added in front of the word 'conflict' in paragraph two. Mr. Burt did not accept the addition of this word to the resolution. Mr. Burt asked if the word 'non-violent' added in front of the word 'conflict' would be acceptable. It was not accepted. Motion No. 621 (the amendment to Motion 620) was passed by a voice vote.

Part One, MOTION NO. 620: The Faculty Senate is confident that, in his discussions last spring with the Black Students' Union and the Students for Change, as summarized in his report to the college community on May 6th and at the Faculty Forum on May 14th, President Brooks acted effectively and in the best interests of the college community by demonstrating clearly his willingness to listen and to respond to student concerns. The Senate believes this flexibility and alertness are reasonable and necessary preliminaries to needed

reform of campus policies, curriculum and practices. The Senate commends the President, the Black Students' Union, the Students for Change, and other members of the college who have shown their willingness to meet together to work out mutual problems.

The Senate also affirms that the trust and respect shown by all parties to those meetings continue to be essential to college government, for if fear and unreasonable and parochial pressures from inside or from outside the college are allowed to truncate the normal and desirable cycle of conflict-reconciliation-renewal, we will be left with nothing but power struggles.

The Senate however, regards these moves as but initial efforts in a more thorough reform and redirection of curriculum, administrative practices, college policies, and student responsibilities, that are essential and that must be initiated from within if the college is to continue its dual functions of scrutinizing tradition and leading change.

Several Senators spoke in favor and against the motion with discussion interspersed.

Mr. Dudley then asked that nay votes be recorded in the minutes when a voice vote is taken. The chair said it was so ordered.

Part One of Motion No. 620 was then defeated by a roll call vote of 11 Ayes, 15 Nays and 5 Abstentions.

Ayes: S. Bayless, D. Dillard, J. Putnam, R. Mitchell, K. Harsha, C. Keller, C. Hawkins, A. Lewis, D. Burt, J. Alexander, F. Carlson.

Nays: S. Waugh, D. Comstock, L. Sparks, G. Leavitt, D. Ringe, S. Dudley, G. Clark, R. Harris, K. Hammond, K. Berry, F. Collins, L. C. Duncan, D. Jakubek, R. Davison, H. Michaelson.

Abstaining: J. Nylander, E. Jacobsen, H. Williams, I. Easterling, E. Glauert.

Part Two, MOTION NO. 620: At this time, the Senate instructs its Executive Committee to do the following:

1. request the Board of Trustees to endorse the "Statement on Government of Colleges and Universities" which received the endorsement on this Faculty Senate and of the President and was forwarded to the Board in 1967.

Discussion ensued and several Senators expressed the opinion that they would like to review the "Statement on Government of Colleges and Universities" before voting on this part of the motion.

MOTION NO. 622: Mr. Dillard moved, seconded by Mr. Hammond to table Part Two of Motion No. 620. The motion carried by a roll call vote of 16 Ayes, 14 Nays, and 1 Abstention.

Ayes: J. Putnam, H. Michaelson, G. Fadenrecht, L. Sparks,
G. Leavitt, E. Glauert, D. Ringe, D. Dillard, H. Williams,
G. Clark, R. Harris, K. Berry, F. Collins, L. C. Duncan,

S. Dudley, J. Alexander, R. Davidson, S. Bayless, D. Burt,
D. Jakubek, C. Keller, F. Carlson, E. Jacobsen.

Abstaining: J. Nylander

Part Three, MOTION NO. 620: At this time, the Senate instructs its Executive Committee to do the following:

2. request the Board of Trustees and the Governor of the State to provide for one faculty and one student voting member of the Board of Trustees.

After a lengthy discussion the motion was defeated by a roll call vote of 9 Ayes, 19 Nays, and 3 Abstentions.

Ayes: D. Comstock, E. Glauert, D. Burt, C. Keller, J. Putnam,
J. Nylander, C. Hawkins, A. Lewis, S. Bayless.

Nays: D. Jakubek, F. Carlson, E. Jacobsen, K. Harsha, H. Michaelson,

J. Alexander, D. Ringe, R. Davidson, G. Clark.

Abstaining: R. Harris, I. Easterling, H. Williams.

Part Four, MOTION NO. 620: At this time, the Senate instructs its Executive Committee to do the following:

4. publish this resolution to all faculty, staff, administration, and the ASC.

Mr. Hawkins withdrew his second so no vote was taken.

ADJOURNMENT

MOTION NO. 623: Mr. Comstock moved, seconded by Mr. Dudley, to adjourn the meeting. Motion carried. The meeting adjourned at 6:10 p.m.

Mr. Tim Wing
President
Associated Students of Central

Dear Tim:

As I am sure you are aware, the Board of Trustees of the College gave official approval, at their November 21 meeting, to several amendments to the Faculty Code of Personnel Policy and Procedure for Central Washington State College.

One of those amendments is in Section II, D, pertaining to membership on the Senate and specifies that the membership of the Faculty Senate shall include, "Three full time students, elected by the student body."

The door is now officially open and may I take this occasion to welcome student membership to the Senate. I would also like to offer whatever assistance I can to the facilitating of this amendment. I would be glad to meet with you or any student group in the interest of seating student representatives as senators as soon as possible.

I believe this is another important step at Central in Student-Faculty cooperation and communication, and I hope it will lend itself to the furtherance of our common goals.

Sincerely yours,

James G. Nylander
Chairman, Faculty Senate
